HEX: #1d1c1a

SECONDARY COLOR

PANTONE Col Grey 10 C
CMYK: 62 53 53 24
RGB: 95 95 95
HEX:#5f5f5f

HOW TO USE:

Maintain consistent use of the **primary colors** throughout all brand and marketing materials to reinforce visual identity and recognition.

Introduce **secondary color** selectively to emphasize details or infuse personality, while allowing the primary palette to remain dominant. Use the specified CMYK, RGB, and HEX codes to ensure accurate color reproduction across various platforms and formats.

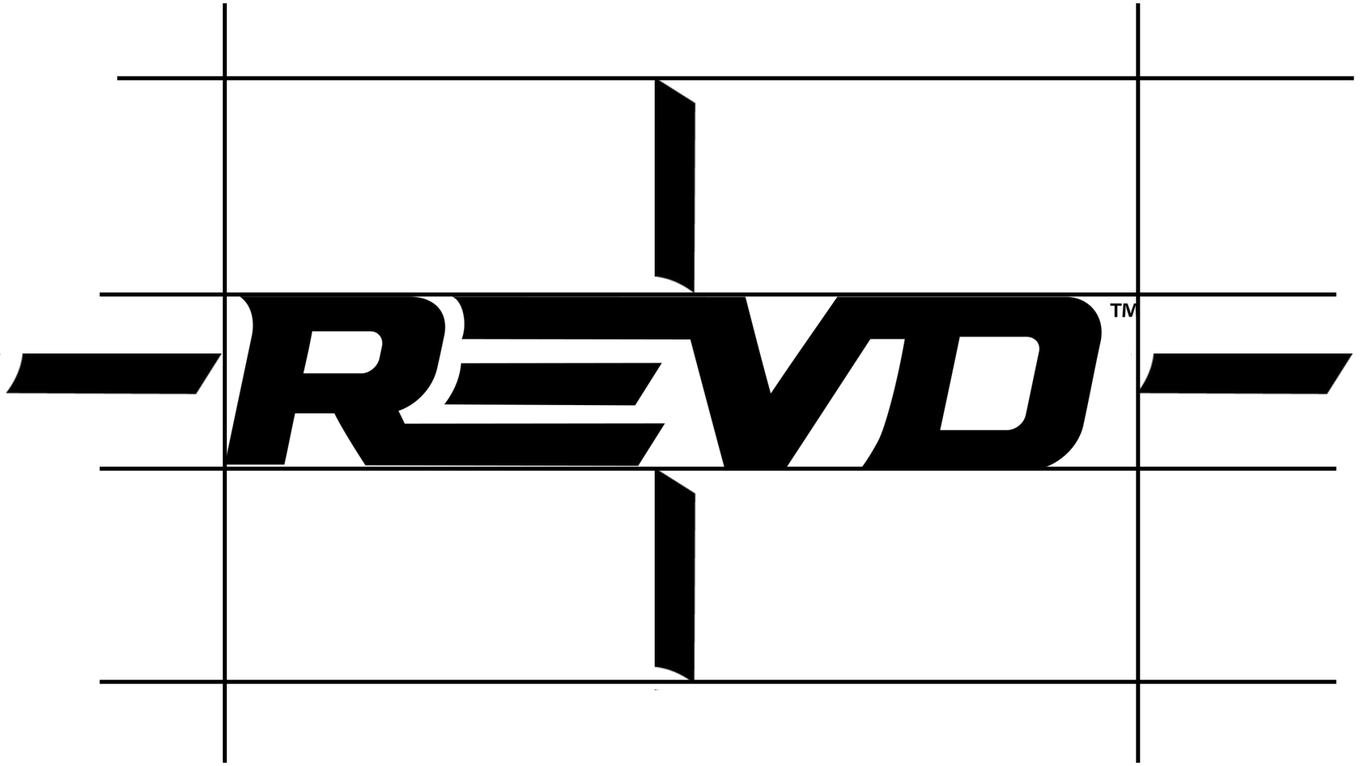
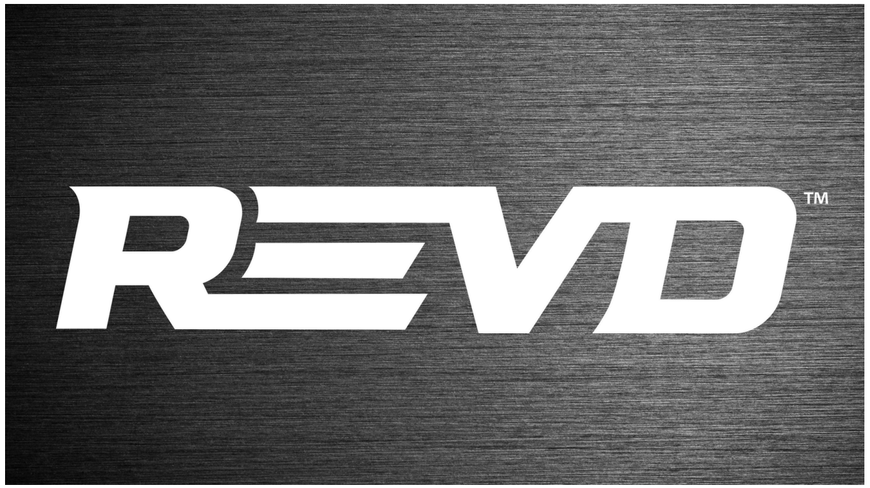
ICON LOGO

LOGO USAGE



HOW TO USE:

Take middle line of the “E” in Primary Horizontal Wordmark to keep appropriate spacing.



HOW TO USE:

When placing the logo over photographs, apply a 30% opacity color overlay to maintain visibility and readability. This approach keeps logo legible the while respecting the integrity of the background image.
